• PRESS RELEASE •

TPS GROUP IS ORGANISING A SEMINAR ON INTERNATIONAL REGULATIONS AND CERTIFICATIONS FOR EXPORT

Gallarate (VA), 18 February 2020 - TPS S.p.A., operational holding of the TPS Group, leading company in technical services and engineering for the aeronautical industry, has organised the seminar on International Regulations and Certifications for Export in collaboration with ANIMP (*National Association of Industrial Plant Engineering*) in Milan on 26 February 2020 (please find the flyer of the event attached).

The meeting, aimed at discussing the issues concerning the export of metal and mechanical plants to Non-EU countries, will be held at the ANIMP headquarters in Milan, at Via Enrico Tazzoli, 6.

The event takes place within the scope of the industrial diversification plan of the TPS Group, which in the last few years has been acquiring specific knowledge in the field of plants intended for the Oil&Gas market and is part of a sharing project of know-how and partnership with the main manufacturers in this industrial field.

This press release is available to read on line at www.1info.it and www.tps-group.it in the Investors/Press Release section.

TPS S.p.A. is an operational holding company of the TPS Group, leader in the technical and engineering services field for the aeronautical industry, with specific focus on helicopters. TPS has been a Borsa Italiana "Elite" company since 2016.

The TPS Group works in the aeronautical, automotive, defence, rail, ship and cable transport industries, providing Technical Publishing & Training services, Engineering, Design and Cost Engineering, as well as Avionic Software Development, System Integration, and Digital Content Management. The TPS Group can include leaders in the field of aircraft design and production, as well as the manufacture of aeronautical parts and leading automotive, rail, defence and cable transport manufacturers among its client base.
