

Technical Publications Service S.p.A.

● PRESS RELEASE ●

FOR THE SECOND CONSECUTIVE YEAR, TPS RECEIVES THE SERVICE EXCELLENCE AND SUSTAINABILITY AWARD PRIZES AT THE LEONARDO SUPPLIER AWARDS 2022

Gallarate (VA), 6 March, 2023 – TPS S.p.A., operational holding of the TPS Group, leading company in technical and engineering services, announces having received two awards, as part of the second **Leonardo Supplier Awards**: the **Service Excellence** award, to reward the results achieved, the spirit of collaboration and the commitment to excellence, and the **Sustainability Award** in recognition of the commitment and for the results achieved from a sustainable development perspective.

The award ceremony of *Leonardo Supplier Awards 2022*, which took place in Rome in the presence of a hundred among the main Italian suppliers, is part of the wider LEAP program - *Leonardo Empowering Advanced Partnership* - through which Leonardo is playing a role of towing and accelerator, to the growth of SMEs in the national ecosystem.

During the event, **Giacinto Carullo** - Chief Procurement & Supply Chain Officer of Leonardo - underlined that the Award assigned for 2022 "are a recognition for those suppliers who have been able to respond in an excellent way to our expectations, sharing the commitment with Leonardo, for the construction of an increasingly competitive, innovative and sustainable industrial ecosystem".

Alessandro Rosso, CEO of TPS, commented as follows: "We are honoured to receive, for the second consecutive year, both these prestigious awards. The *Service Excellence Award* testifies to the commitment and results achieved by our organization in the provision of innovative and high -added technical services, as well as flexibility and collaboration that are essential characteristics of our industrial approach. Likewise, the *Sustainability Award* recognizes TPS's efforts for a sustainable business model over time and integrated into the environment in which it takes place, in the interest of customers, employees, the entire supply chain and, more generally, of all those stakeholders that, for various reasons, are part of our system. These two awards by our main customer are a source of great satisfaction for our entire organization and are the result of the daily work of many colleagues who deserve these prizes for the commitment, flexibility and dedication, elements that push TPS to further improvements and new growth objectives".
